

Hedgehogs Term 1 Home Learning Bingo

Below are some Home Learning ideas for you to do with your family before half term. How many can you complete? Remember to upload your activities to your Tapestry account.

Create a picture of your family – this could be a drawing, painting, with sticks and leaves...	Use a knife and fork to eat your dinner – can you cut your own dinner up?	Help your grown-ups with the washing - can you sort the socks and pyjamas into matching pairs?
Share a Book – get cosy on the sofa and share your favourite book. What was your favourite part? Can you retell the story?	Go for a walk to the park or woods - close your eyes, what can you hear? Can you draw or make what you heard?	It's starting to get colder - Practise putting your coat on and doing up the zip
