

Term 3 – times table homework

It is extremely important that all children continue to practise their times tables and their corresponding division facts. They can do using TT Rockstars at least 3 x a week for 10 minutes each time. This includes using the studio levels for speed tests and their number bonds (using numbots – if required). Login details for these can be found in the front of their reading record books.

The children have been working really hard on their times tables. Well done everyone. These are the times tables test date for this term. This test will be on a Tuesday. Please see the times table your child will be focusing on below.
